Turkey Point Nuclear Power Plant
Sharif Mobley

• Shot and arrested in Yemen in March 2010
• Employed at five U.S. nuclear facilities between 2002 and 2008
• In contact with Anwar al-Awlaki
• Before changes to regulations in 2003, NRC permitted temporary access to critical sites before full FBI screening was completed
  – Unclear whether Mobley had access before being fully cleared
• No one reported his radicalization
