In his OCA report, the Secretary-General called for a Global Digital Compact that will "put humanity at the centre of technology". But what does that look like? And how do we make it a reality?

An open discussion will follow lead-off remarks from:

**H.E. Mr. Juan Ramón de la Fuente Ramírez**  
Ambassador Extraordinary and Plenipotentiary  
Permanent Representative of Mexico to the United Nations

**Ms. Yu Ping Chan**  
Senior Programme Officer  
Office of the Secretary-General's Envoy on Technology

**Ms. Flavia Alves**  
Head of International Institutions and Relations
